

ALL BREED HERDING CLUB OF WESTERN WASHINGTON

Celebrating 25 Years of Trials in 2019

Newsletter 2 – January 5, 2019

The Herding Community Has Lost a Great Friend and Competitor

Many of you may have already heard the news that our dear friend Judy Garbarino passed away yesterday after a long hard fight against cancer. Judy fought hard to continue to do what she loved even though her illness was taking its toll. Judy was all about her family and her dogs -- she finished more champions than most of us can even imagine. She was all about perseverance and dedication and overcoming obstacles. Rest in peace Judy -- we know you will be watching over our trials as we go forward -- we will miss your encouragement and smiling face.

In her honor and in conjunction with her family, the All Breed Herding Club of Western Washington is announcing the

JUDY GARBARINO MEMORIAL AWARD

*This trophy will be awarded to the dog with the highest combined qualifying scores for the ABHCWW's AKC herding season. The dog's highest qualifying score per day from the regular classes, for each trial weekend, will be carried forward to determine the winner. The award will be presented at the conclusion of the August Trials. Full details will be included in the Premium List for the Memorial Day trials which will be held **May 25-27, 2019 at PackLeader Farm in Gig Harbor, WA.***

Celebration of Life

Judy's family is planning a Celebration of Life which will be held at the ABHCWW Memorial Day trials and they will help us kick off the trial season. We are so honored that her family is inviting us to be a part of this remembrance for our friend. More details will be announced once the final arrangements have been made.
